Q3 Initiatives (2025)

INTRODUCTION

- The Superior Homes Foundation was established as Superior Homes Kenya's CSR arm, and a commitment to creating a lasting positive impact.
- Our mission centers on substantially reducing the number of missed school days by girls caused by the lack of proper feminine hygiene products
- To fulfill this mission, the Foundation empowers the girlchild by equipping her with the knowledge, resources, and opportunities she needs to excel in her education through the provision of feminine hygiene products and mentorship workshops.
- This presentation highlights the Foundation's initiatives and achievements for the 3rd quarter of 2025.
