

FADHILI
RETIREMENT VILLAGE
AT GREENPARK ESTATE

A Retirement Oasis In The City

Fadhili Retirement Village is the first purpose-built retirement village in Kenya within a gated community. Fadhili provides comprehensive and customized care to the senior members of the community. The estate has been carefully designed to ensure the comfort, safety, security, and wellbeing of the residents.

HOUSE TYPES

Masterful design and modern luxury are uniquely embodied in the different house types in Fadhili Care, with every detail carefully selected and quality crafted.
